Welcoming Notes: *The board's meeting time is dedicated to its strategic mission and top-priority focus areas. Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person among the district's many leaders. "Public Participation" is an opportunity to present brief comments or pose questions to the board for consideration or follow-up. Each person is asked to focus comments to three minutes. The boundaries are designed to help keep the meeting focused and should in no way limit conversations beyond the board meeting. The "consent agenda" is based around "need for action" decisions that are highly routine or backed by prior information/discussion. If you are interested in helping the district's performance efforts, please talk with any member of the leadership team or call the district office at 719-745-0500. Our opportunities are limitless and your participation is highly desired.*
