

Moffat Consolidated School District #2 is hiring for a District School Nurse

Moffat Consolidated School District #2 has two schools, Crestone and Moffat. The district school nurse will be working at both schools as needed. Primary responsibility will be to provide health services to students when they are at their school. For example, you'll treat injuries and mild to acute illnesses or support students with chronic illnesses. You'll also help with preventive care by educating students on how to avoid communicable diseases and information on proper hygiene.

To succeed in this role, you must have excellent organizational skills and the ability to communicate with children, their parents or guardians, and teachers.
