

Associate School Nurse, full-time, immediately and through the 2023-2024 School Year, apply now!

Primary responsibility will be to provide health services to students when they are at school. For example, you'll treat injuries and mild to acute illnesses or support students with chronic illnesses. You'll also help with preventive care by educating students on how to avoid communicable diseases and information on proper hygiene. To succeed in this role, you must have excellent organizational skills and the ability to communicate with children, their parents or guardians, and teachers. If you meet these requirements, and also have a genuine interest in improving children's lives, we'd like to hear from you.

- Responsibilities, Requirements, and Skills:
 - Provide basic healthcare for students in case of injury or acute illness
 - Develop health plans for students with chronic illnesses and disabilities
 - Educate students and staff on healthy habits, such as proper nutrition and hygiene
 - Detect health problems in early stages through regular screenings
 - Update students' medical history
 - Ensure compliance with national and local health laws
